

## 2023 NUMark Fun Day uses new White course

Greg Bauer

The LSMGL utilized the new 18 hole set up on the White Course Sept. 22 after changes with new housing and re-routing for the Shamble event. A 30-minute delay to finish mowing the greens was the only catch after an early morning rain storm. The U-Pik event included 87 golfers divided into two flights that enjoyed a course in good condition with interesting holes and routing.

Pin prizes were awarded on No. 18 closest tee shot to the pin won by Jim Tenopir and No. 1 longest putt won by Bill Rocke. The next Fun Day event was held at the Beatrice CC Sept. 25, and will appear in a later edition of NE.
