

Full field for 2023 LSMGL York Scramble Fun Day

Greg Bauer

It was a cool, crisp, beautiful day for the 128 Senior golfers as they tackled the York CC. It is always a challenge for the league to have accurate drives and proper navigation of the tight, tree lined course. Teeing off from the gold tees made some holes easier, but the Scramble event still produced some of the familiar suspects in the end.

Two pin prizes were awarded on holes 9 and 2. The longest putt on 9 was recorded by Bill Allen while the closest tee shot to the pin on hole 2 went to Jerry Elfring. Mahoney Sept. 14 was the next stop for the LSMGL, and Stone Creek CC was the site for the Sept. 18 event, and both will appear in a future NE edition.
