

Beatrice CC hosts LSMGL Shamble amid changes

By Greg Bauer

The move to September for the Senior U-Pik event weren't the only changes in store as new management will be taking over operations of the course. The great weather complimented a course that was in its best shape. It has always been a relatively tight course, and playing from the white tees put a premium on accuracy, but the greens were true and held shots well.

Some holes were still confusing in their order for some of the seniors, but there were enough experienced golfers to get them headed in the right direction. The next senior event took place in the welcoming confines of Hillcrest CC in Lincoln and will appear in a future edition of NE.
