

2023 Stone Creek Fun Day warms up for LSMGL

Greg Bauer

There was no delay this year for the 118 Senior golfers as the Sept. 18th Shamble started cool and sunny then warmed nicely on this Northwest Omaha course. Greystone and Sandstone were used this year, but the change in format saw familiar faces at the top. The course was in great condition, and the wind certainly played a factor in a number of the holes facing south.

Pin prizes were awarded for Hole 9 on the Greystone course for closest 2nd shot, which was won by Andy Anderson, and Hole 9 on the Sandstone course for longest putt won by Mike Murphy. The next Fun Day event was held at the NuMark course in Lincoln Sept. 22, and will be included in a future NE edition.
