

## Tara Hills opens LSMGL U-Pik Fun Days

Greg Bauer

The May 22 event saw fantastic conditions with sunny skies, little wind and humidity, and a course in great condition despite little snow and rain; Tara Hills was green and lush. The Scramble event was the first U-Pik of the year which allowed individuals to sign up as a four-man team. The drive to Papillion is a favorite of the league because of its great price and fun layout.

Generally, we don't see scores identical to a previous year, but that was the case for each flight and the winners. Flag prizes were awarded on two holes with Dean Muller winning the closest tee shot on Hole No. 15 and Jon Debus making the Longest Putt on Hole No. 9. The next Fun Day will be Monday, June 5 at Pioneers.
