

2023 Scramble highlights Crooked Creek recovery

(Greg Bauer)

The Sept. 7 LSMGL U-Pik Fun Day was a night and day experience from the late season event in 2022 that saw the course slowly recovering from severe drought and weed infestation. This year's full field of 120 golfers, twice the Seniors from 2022, were divided into three flights with 10 four-man teams in each. The Scramble format was different from the previous year, and the great course conditions provided some low scores.

Pin prizes were awarded on hole 9 for the longest putt made and 17 for the closest 2nd shot to the pin. Jim Walter and Andy Anderson won those prizes on those respective holes. The next Fun Day was held at the York CC Sept. 11 and will be updated in the NE later.
