

Great conditions and staff for LSMGL at Eagle Hills

Greg Bauer

Papillion has become a favorite stop for the Sr. League Fun Days with Tara Hills and Eagle Hills providing a quality golf experience, attentive staff, and a great price. The U-Pik event Wednesday, Oct. 4 had a slightly larger field of 108 golfers that were placed in three flights with 9 four-man teams in the A and C flight and 10 in B. The gold tees were used for the B and C flight and white for A in the Scramble event resulting in some familiar culprits at the top.

Two pin prizes were awarded on hole 9 and 15. The longest putt on No. 9 was Kent Jex, and Mike Grieger had the closest second shot on No. 15. The next Fun Day was a return to Tiburon in Omaha and will appear in a future NE issue.
