

## Hot temps greet Holmes LSMGL Fun Day

Greg Bauer

The July 24 Holmes Park Senior Mixer event had two flights comprising 77 golfers utilizing 75% of each player's handicap. Each team would choose the best drive from the foursome, then play their own ball to completion of the hole. The two best net scores were used for the par 4 and 5 holes and one net score was used on the par 3 holes.

Pin prizes were awarded on Hole 17 for closest to the pin with the second shot and hole 9 for longest putt. Bill Rainey and Bob Batterman won those respectively. The next Fun Day will be a U-Pik Aug. 16 at a favorite stop; the league's second trip to Tara Hills in Papillion.
