

Another beautiful day greets LSMGL golfers

Greg Bauer

The June 5 Fun Day at Pioneers Park utilized a Shamble format with 85% of each golfer's handicap. After the best drive was chosen from the group, each golfer then played their own ball to completion of the hole. The two lowest net scores were totaled for each par 4 and 5, and one net score was used for each par 3. The league completed all its duties in 4 ½ hours which made for a welcome respite from the heat.

Pin prizes were awarded on hole 9 for longest putt and 18 for closest 2nd shot. Dave Reifschneider and Jeff Powell won those respectively. The next Fun Day will be at Table Creek in Nebraska City, Monday June 12.
