

## Unusual Fall conditions for LSMGL Scramble

Greg Bauer

The Oct. 17th Fun Day at Pioneers Park was a horse of a different color this year as warm conditions and breezes made for a great day compared to the freezing temperatures that delayed play last year. The Scramble format for the mixer event was a change from last year also, and once the wind picked up made for some difficult scoring. There were no mulligans for this event which made for some challenging decisions on wayward shots for the group.

The 90 golfers were divided into two flights with 11 in the Red and 12 in the White. Pin prizes were awarded on Hole 7 for the closest tee shot and Hole 18 for the longest putt. Those were won by John Cummins and Wayne Reinwald respectively. The last events of the season will appear in the NE at a later date.
