

LSMGL uses Scramble format for Round 2 at Tiburon

By Greg Bauer

With a women's tournament utilizing the Hammerhead nine, the Sr. league was able to experience Great White and Mako again for the final Oct. 9 U-Pik. This was the league's second event at the course for 2023, since it has become one of their favorite stops because of the great course conditions and wonderful treatment by the staff. The 128 golfers all utilized the Scramble format, and scores were very consistent compared to previous events.

Two pin prizes were awarded on the Mako and Great White nines. Hole No. 9 on Great White had the closest second shot which was won by Larry Honeycutt. Hole No. 9 on Mako required the longest putt which was won by Jeff Powell. The last three Fun Days will be mixers at the Lincoln courses with the next event at the Highlands Oct. 11.
