

Tiburon heats up for 2023 LSMGL Fun Day

By Greg Bauer

The Great White and Hammerhead courses at Tiburon are a favorite stop for the league since the course is always in great condition, but the June 19 Fun Day saw the Sr. golfers challenged with some high temps. The welcoming and highly organized staff; from the course directors to cart girls and great food make it a topflight event. The 128 golfers all utilized the Shamble format, so each group used the best tee shot of the four-some then played their own ball to completion of the hole utilizing 75% of their league handicap.

Four pin prizes were awarded by the generous club representatives on the Hammerhead and Great White nines. Winners on **Hammerhead** were Craig Tische, closest tee shot on #7 and Rick Riley longest putt on #9.
