Members absent: Hedges, Toomey, Honeycutt

President Allen called the meeting to order at 10:05 am, August 12, 2021, in the Holmes Golf meeting room and declared that a quorum was present.

The Sept 22<sup>nd</sup> and future Fun Days at Iron Horse have been cancelled. This action is a result of incidents between some members of LSMGL and staff personal at Iron Horse.

Plans were reviewed regarding the Ned Hedges annual Fun Day and luncheon. League managers Gabel and Gerhart will be handing out league certificates. Loy Forester will be manning the camera. In the past, pictures of league winners have gone smoothly but there has been some confusion with the Fun Day certificates.

Our software provider for league and fun day events is upgrading their offerings after this season. These new offerings will be extensively upgraded and a true boon to a league of our size. A shareable data base with vastly increased access for members are but some of the new features. However, as with all 'new and improved' products, prices will increase. In order to offset those costs, Rainey moved and Lacquement seconded a motion to raise the membership cost of league players to \$40.00 and raise the cost of substitutes to \$25.00. This motion carried unanimously. There are still some additional issues that our website editor needs to verify.

Augustyn moved and Pauling seconded a motion to raise the minimum age for membership in LSMGL to 60 years of age. Current members will be 'grandfathered' as long as their membership is maintained. That motion carried unanimously.

The league will purchase equipment and supplies for the Junior Golf Program at the Ager course. Source of these funds will be the uncashed certificates from various events during the year.

Meeting adjourned at 10:55 am.

Gary Westerhoff, Secretary
