

Special meeting of Lincoln Senior Men's Golf League, April 2020

Members Participating: Allen, Bauer, Pauling, Westerhoff, Gerhart, Toomey, Honeycutt, Jessen, McMichael, Tritt, Gabel, Vogt, Rainey

It was learned on April 11, 2020, the day following the regular April meeting, that the city courses would not allow any league play until after the end of the social distancing directive, which falls on May 6th. Subsequent to that, the LMSGSL held a weekend long email conversation to discuss the next step. The above named members were involved in that discussion and the following decisions were made.

- The start of league play will be moved to June 1st, with play on both Mondays and Wednesdays for the 18 holers and Mondays and Thursdays for the 9 holers through June, then using only Wednesdays for 18 holers and Thursdays for 9 holers. There will be a couple of exceptions and that information will be included in an email sent to all members.
- Since the start of the league has been moved later, the deadline for registration will be moved to May 1st. This information will be included in the email as well as an article to be included in the April 18th edition of the Neighborhood Extra.
- Members are encouraged to frequently check web site and monitor their emails since the situation may be constantly changing.

The membership registration for this year is nearly the same as in 2019.
